

Bright Red Crayon

The pattern of the rainbow
Spreads out across the sky,
The colors keep their place for it's
The Red they're anchored by.

It represents the glory that
We all want to portray
The palette is from God who
Let's us paint in our own way.

You are the Bright Red Crayon that
Everybody wants to use,
You stand out among the others –
The yellows, greens, and blues.

God gave you to me as
The answer to a prayer;
But such a precious gift of love
Is something I must share.
